FOR EASTERN SOUTH DAKOTA

SHARE THE FAITH. SECURE THE FUTURE.

2016

ANNUAL REPORT

OUR MISSION

Raising, managing and distributing God's gifts to donor-directed ministries.

OUR VISION

Everyone recognizing their God-given gifts and sharing them generously with others.

OUR CORE VALUES

LIVING FAITH IN MINISTRY

- We are faithful to the teachings of the Catholic Church.
- We believe our work is ministry, guided by the Holy Spirit.
- We believe that all we are, have and will be is a gift from God.

Exercising Responsibility

- We believe in responsible stewardship.
- We affirm good judgement and integrity through honesty and transparency.
- We have a fiscally responsible investment policy that adheres to Catholic values.

Achieving Excellence

- We partner with parishes, priests and donors to strengthen ministries.
- We distribute God's gifts to donor-directed ministries.
- We strive to "drought proof" the ministries of the Catholic Church in eastern South Dakota.

Dear Friends,

When we recognize that all we have and all we are is a gift, then we become grateful. Instead of, "What is in it for me?" It becomes, "What can I do for others?" This is when I become aware of God in my life.

This attitude is at the heart of the ministry of the Catholic Community Foundation for Eastern South Dakota. We continue to be thankful to those who direct their donation with us in our Catholic communities to ensure that every generation will benefit from the transformational ministries and sacraments of our Catholic faith in eastern South Dakota.

In this report, you'll read stories and see names of our donors and partners who continue to show Christ's love through donor-directed giving that includes major one-time gifts, annual gifts and estate planning gifts to the ministries they care about. Our investment and distribution objectives continue to be committed to Catholic moral and social values. We ensure donors legacies will forever follow their values and wishes, to perpetually impact the ministries they direct.

"One of the great challenges facing the Church in this generation is to foster in all the faithful a sense of personal responsibility for the Church's mission – carrying forward the legacy of the past – by being open to the possibilities which the Spirit opens up to us and by communicating the joy of the Gospel, daily and in every season of our life."
- Pope Francis

And so, it is with gratitude for this legacy of faith from our donors, partners, friends, Board of Directors and the Catholic Community Foundation staff past and present that we say thank you for your generous gifts and gratefully present this year's annual report.

Gratefully yours in Christ,

Myles Beacom

DONOR ADVISED FUND

A Great Way To Give

Bob and Marge Good have a heart for charitable giving. That is why they use their donor advised fund like a charitable savings account. They contribute to the fund as frequently as they like and then direct their donations to their favorite charities when they are ready.
