

Application for Financial Support Policy and Procedure

Overview:

The Catholic Community Foundation for Eastern South Dakota (Catholic Foundation) was incorporated in 1987 for the purpose of advancing the outreach of the Church in eastern South Dakota. By supporting individual parishes, Catholic institutions and Diocesan ministries, the Catholic Foundation is able to help the Church better serve the needs of its parishioners. The Catholic Foundation is a 501(C)3 non-profit organization that is governed by an independent board of directors.

The Catholic Community Foundation manages over 1,100 accounts valued at \$107 million that serve the 120,000 Catholics living in the Diocese of Sioux Falls. Most of the funds are “restricted” endowments, with distributions designated by donors to specific ministries or organizations; or agency accounts that are “owned” by individual parishes, schools or other charities. The Catholic Foundation’s endowments support parishes and ministries across the Diocese by providing ongoing funding for religious education, priest retirement, seminarian education, cemeteries, faith formation, counseling services and diocesan and other outreach ministries.

The Catholic Community Foundation has a modest amount of grant money available for distribution from its unrestricted endowments. The following policies and procedures have been adapted in managing grant distributions.

- Grants are not made to capital campaigns, other endowments or individuals, i.e., individual scholarships, etc., but to ministry programs, projects and institutions.

 - 2) A ministry established for the benefit of a particular parish community or a small number and regional collection of parish communities. .
 - 3) Community outreach ministries that complement ministries of the Catholic Church
 - 4) One-time gifts to help initiate new programming
