FROM THE BISHOP

Dear Friends in Christ,

How uplifting it is for me to review and reflect on the great generosity of so many people outlined in this annual impact report of the Catholic Community Foundation for Eastern South Dakota (CCFESD). I am so grateful for this opportunity to thank the many generous donors who support the ministries of the Church through the CCFESD.

This year the CCFESD celebrates 35 years of assisting people in being good stewards of the gifts they have been given by God, helping them experience the joy of giving. This milestone provides us with an opportunity to give thanks for those who with great faith, often through great challenge, built the legacy of faith that we enjoy today. The Church in eastern South Dakota is stronger because of the many who joyfully shared their gifts over these 35 years.

So many have continued to share their blessings to assure that the ministries of our parishes and the diocese are supported today and in perpetuity. Your gifts, especially to endowments, help provide much-needed sustainable support and encouragement. In short, your generosity gives hope to those in need and to those who minister to them.

In gratitude,

MOST REVEREND DONALD E. DEGROOD

*Bishop of Sioux Falls
Diocese of Sioux Falls*

FROM THE CHAIR & PRESIDENT

In May 1987, under the leadership of Bishop Paul Dudley, 20 lay leaders met in Huron to form what is now the Catholic Community Foundation for Eastern South Dakota (CCFESD). Bishop Dudley told the board, "It is my hope and prayer that the basic needs of our diocese can be guaranteed in perpetuity through such a foundation." He went on to say, "The foundation is an ongoing, perpetual support for the needs which we have now, and the needs which will surface in the future."

Thirty-five years later we are blessed to have recently surpassed a milestone, with total assets nearing \$150M and another \$125M in future estate gift expectancies – funds that are invested in perpetuity, providing sustainable support to the parishes and ministries that donors have designated. It is very humbling to receive such generosity. It is an important stewardship that we, the board and staff of the CCFESD, take seriously.

We are committed to not only protect and grow the funds, but to ensure that everything is done with our Catholic values in mind – with our investments, distributions and in how we make all of our decisions. We desire to do as Jesus taught in the parable of the good stewards, to not bury our gifts but to use them well and return them with increase to the Lord.

It is out of a deep sense of gratitude to God that we celebrate in this annual impact report – our working together as Catholics in eastern SD – to support Bishop DeGrood's vision for our Church of "Lifelong Catholic Missionary Disciples Through God's Love."

Gratefully in Christ,

KAMI KURTENBACH

A FUTURE FULL OF HOPE FOR ST. ANTHONY

At the Catholic Community Foundation (CCFESD) we have a vision, a future full of hope for your parish, our community, our diocese, and our families. The phrase 'future full of hope' comes from Jeremiah 29:11, "For I know full well the plans I have for you, plans for your welfare and not for your misfortune, plans that will offer you a future filled with hope."

Hope is that virtue which strengthens and sustains us in difficult times; it opens our hearts in joyful expectation of eternal happiness; it buoys us up, preserves us from selfishness, and encourages charity - there is a happiness that flows from this charity (CCC 1817-1821).

St. Anthony Church - Hoven

are perpetual.

St. Anthony of Padua Catholic Church in Hoven, is an example of a parish relying upon the expertise of CCFESD to receive and process charitable donations for St. Anthony's benefit. "Locally, our time is better spent on making those personal connections and communications with those to whom we'd like to give the opportunity of caring for the long-term needs of the local church," pastor, Fr. Darin Schmidt, said. "There are certain things on the investment side that can be more effectively handled by those with the experience, expertise, time, and compensation to manage them."

The St. Anthony Foundation in Hoven recognizes value in leaving the investing and IRS compliance in expert hands. "The Catholic Community Foundation provides the expertise in investing the funds," board member, Vernon Rausch, said. "It also takes care of most of the red tape required of the local foundations by the IRS." According to Kurt Kaiser, president of the St. Anthony Foundation, CCFESD has the resources and expertise to invest prudently while also ensuring that the funds are not invested in companies inconsistent with Catholic teaching. "Our main goal is to provide people with the help they need to be able to make their legacy gift possible," Kaiser said. "With long term investments, it will help with the needs of the church in the future."

Whether you are an individual, a parish, or another Catholic organization in the diocese, consider allowing CCFESD to help plan for your future...a future filled with hope.

At the CCFESD, we witness the happiness that flows from charity, i.e. generosity to others. Whether we are helping donors discern

the legacy of faith they want to leave with their community and their family or whether we are distributing an annual check to a parish through a perpetual endowment, we have the privilege of participating in the donor's joy of giving and in the beneficiaries' joy in receiving. Donor by donor, a future is forged which strengthens and sustains in difficult times; which opens hearts, buoys them up, and inspires others to generosity.

In addition to individual donors, the parish may plan for its future in a similar way. The parish may 'gift' its future-self a sustainable income through the charitable tools CCFESD has available. In addition to future financial stability, this 'gift' brings another type of 'hope' -that which comes from being relieved of the administrative requirements of receiving gifts. CCFESD can assure that: non-cash gifts are properly transferred; funds are responsibly and prudently accounted for and invested; tax receipts are accurate and prompt; the purpose of the gift is soundly restricted; records are meticulously kept; oversight is continuous; and distributions

ST. THOMAS MORE'S FUNDING FOR LIFE

In 2022, an anonymous donor generously gave approximately \$30,000 for pro-life efforts in the Brookings area. The Holy Spirit encouraged the heart of a donor to fund future educational efforts for the youth in the area.

"Our church and school have many endowments and they are a great blessing for us," Fr. Terry Anderson of St. Thomas More Parish said. "This [gift] would provide income for the church to do something special on pro-life issues every year into the future."

Fr. Terry approached Connie Mansheim and Carol Covrig, pro-life leaders in his church, about forming an endowment for the management of the funds and suggested they partner with the CCFESD in Sioux Falls.

"I was very happy when Father approached us about this because we wanted to do something to promote pro-life, but we didn't know how to make the most of it," Carol said. "It just seemed like a really good plan; Connie and I aren't going to be around forever, and this would keep going."

Both Connie and Carol described the process of establishing an endowment with the CCFESD as a simple and easy effort in their partnership with the staff. The CCFESD office managed all the legal issues and created guidelines for the fund's usage, using \$1,000 per year of the fund to support local parish pro-life activities.

"We can trust they're only going to do good with what we gave them to work with; in other words, the CCFESD's values align with the church and our mission," Carol said.

Connie stated the management of the funds by the CCFESD allows the professionals to handle the legal reporting and oversight, taking the burden away from the layperson. Their service allows the community leaders to focus where the money can be most effective while not bogging down a committee with administrative duties.

"For example, we will be able to bring in speakers and invite the surrounding communities to participate, or print pro-life materials," Carol said. "It's a way to support our church and our faith and to share what gifts God has given us."

Do you have a calling to use the blessings God has provided you to fund or sponsor programs in your local area? You may be an answered prayer for someone or group who has the ideas or networks to help others but simply lack the funding. Contact the CCFESD to start the process for an endowment today.

MAKING GOOD FROM TRAGEDY

Our faith is no small faith.

It is said life is 10 percent what happens to you and 90 percent how you handle it. As Christians, we are not called to be successful or promised a life without suffering; we are called to be faithful. We give our pain and suffering over to God so He can make goodness from the tragedies in life.

Linda Schulte lost her husband, Ken, to pancreatic cancer six years ago before they fully shared the fruits of their life's labor in retirement. In her grief, she turned to the strength of her Catholic faith that God would see her to the other side of this pain and suffering. She looked for ways to use the blessings in her life to benefit those in need.

"It makes me feel good knowing I'm helping somebody, and it makes me feel good I'm helping the church," Linda said. "There's just a lot of need out there and I can help because I'm financially secure."

Her volunteer work, at the Cathedral of St. Joseph and in the community, has allowed her to recognize that need and use a portion of her and Ken's retirement money to create an endowment with CCFESD. This planned giving allows her to make a difference in the lives of others, turning the untimely passing of her husband into something good.

After attending the Cathedral Parish for more than 40 years, Linda states when

she and her children are gone, the church will still be here for the next generations, and she feels it's important people have it. She says she can afford to fund the endowment and it's usage to keep the church going into the future through projects such as funding the organ refurbishment.

"I told my kids, you know, this is an endowment to keep this church going and we need to do that," Linda said. "It's a beautiful church, we need to take care of it, so I have it in my will that I leave more funding for the endowment."

"God's been good to me in a lot of ways. Even though my husband is gone, I have a very blessed life."

"My husband worked very hard to have a comfortable retirement and never got to enjoy that. So I'm spending it for him, and enjoying it, but I'm using it for good things," Linda

said. "God's been good to me in a lot of ways. Even though my husband is gone, I have a very blessed life."

Do you feel the Holy Spirit encouraging you to share the blessings in your life with others in need, but do not know where to start? Whether you have planned your giving for years or are now faced with an unplanned event such as Linda and Ken, God can always make something good from life's tragedies. Consider starting your donor designated endowment with the CCFESD today.

BUILDING YOUR PARISH COMMUNITY

No person can grow and develop on his or her own. Those around us guide us, especially the adults who desire to help each younger generation flourish.

“Helping young adults grow towards their careers and goals as adults has been very rewarding,” Art and Lana Rusch said when discussing their experiences with lifelong community involvement.

The Lord has been very good to us and we feel it is important to give back to those who have not been so fortunate.

Art and Lana have been members of St. Agnes Catholic Parish in Vermillion for more than 50 years, watching their children grow through school to adulthood by the community influence of their parish.

“Having our children attend St. Agnes schools was very important because prayer and experiencing God’s love and talking about these things was a part of

every school day and it was a place where we made a community of friends,” Lana said.

Never underestimate the power of building your parish community. Whether volunteering in your local parish with youth or serving as an extraordinary Eucharistic minister to those homebound or at a nursing home, the love of Christ can be found in each activity.

“The Lord has been very good to us and we feel it is important to give back to those who have not been so fortunate. Donations of time and talent are important to make a community a better place,” Art said. “That is true whether one is talking about church communities, school communities, or the community where we live.”

Do you want to volunteer in your own parish but need help knowing where to start? Call your parish office, CCFESD, or speak to your priest or deacon for advice; a rewarding experience of service is waiting.

LEADING INTO A FUTURE FILLED WITH JOYFUL EXPECTATION

It is time to heed the Constitution and return the issue of abortion to the people's elected representatives. "The permissibility of abortion, and the limitations, upon it, are to be resolved like most important questions in our democracy: by citizens trying to persuade one another and then voting."

-Dobbs v. Jackson Women's Health Organization (597 US ___(2022))

Our Catholic faith always encourages us to be citizens who lead with our faith; who use our words and our vote to create, and keep, a society that respects the dignity of all human life. In this time after the Dobbs decision in the US Supreme Court, we find ourselves with a renewed opportunity to fight against the 'permissibility of abortion' in our state. Implied in this opportunity is another: the opportunity to look at the resources available to families.

Our Catholic faith always encourages the support of family. Whenever a child is conceived, they are conceived into a family. Ideally, it would be a family of loving parents looking forward to the birth of their child with joy.

"At the dawn of salvation, it is the Birth of a child which is proclaimed as joyful news ...The source of this "great joy" is the Birth of the Saviour; but

Christmas also reveals the full meaning of every human birth, and the joy which accompanies the Birth of the Messiah is thus seen to be the foundation and fulfilment of joy at every child born into the world (cf. Jn 16:21)" (Evangelium Vitae, no.1).

In our broken world, we are aware of the reality that all families are not created with joyful expectation. Sometimes poor - or

even evil, in cases of rape and incest - choices bring a new life into this world and create a 'family.' Often times in these cases, it is dependent upon the mother to lead her 'family' into the future; a future that is uncertain and costly.

The Mother Teresa Fund was started by a promise of Archbishop Robert Carlson that no 'family' in our diocese should have an abortion because of financial needs. CCFESD is a steward of the Mother Theresa Fund, which has grown because of generous donors. It is available to help with the financial costs of having a baby in a safe and healthy environment. It's available to help families, especially young mothers, who need the courage and support to lead their children into the future, however unknown and uncertain.

South Dakota has a state flower, the American Pasque Flower, that blooms in joyful expectation of Spring. South Dakota is the only state that has attached a motto

to their flower: "I lead." (SDCL 1-6-10). In this time, we get to lead our state into a new era and fight against the permissibility of abortion, let's also help families, especially those young women left to face motherhood alone, lead their children into a future filled with joyful expectations.

If you or someone you know is considering an abortion because of financial needs, or if you would like to make a donation to The Mother Teresa Fund, please contact CCFESD.

BEANER FAMILY Volunteer Spotlight

Each year several hundred individuals take time from their busy personal schedules to provide volunteer support for numerous needs of the CCFESD. Many opportunities exist for volunteerism including service on our board of directors, event committees, phone calling, compiling mailings, sorting t-shirts, and support at any of our eight Bishop's Charity events, just to name a few. One of the most amazing volunteers comes in the form of an entire family!

The Tim and Sara Beaner family has provided volunteer service for the Catholic Community Foundation for many years. They are always willing to jump in wherever needed and provide their service with an amazing smile and passion that is hard to beat! They have touched every one of the Bishop's Charity events, from Tim's service on the Bishop's Fishing Tournament committee, to "boots on the ground" support with set up and clean up, and everything in between. Their enthusiastic "Yes, we can absolutely do that," has resonated in the hearts of all the staff of the CCFESD.

Jan Feterl, Director of Special Events and Marketing stated, "The Beaner Family is a true inspiration to all of us. They are a very faith filled family that is willing to do whatever we ask of them, regardless of the project. No task is too large or beneath them. They understand the value and importance of what they are asked and that this is their humble way of giving back to the Church that is the center of their lives. This family is extraordinary and we are very blessed to have them in our midst."

When asked about their volunteer experiences with the Catholic Community

Foundation, Sara responded, "We have been volunteering for 18 years, ever since I was pregnant with our second youngest. As a mom of six children (one in the womb) at that time, I wanted to teach our kids that life is not all about themselves; to teach them that other people come first."

"Today, my husband Tim and I have seven children and our reason for volunteering remains the same as when we first started, but even more. We are dying to our selfish selves. Saying "I am Third"... God first, second our neighbor, third ourselves. We love our Catholic faith and our Catholic community, so by volunteering, we are embracing and expressing our love for our Catholic diocese and community by serving and helping others whenever and wherever we can. It is a small way of saying 'Yes to God' and teaches us how to work, love, and help each other."

The Catholic Community Foundation greatly appreciates all that the Beaner family has done these past 18 years and their inspiring example of selflessness that they continue to humbly represent. We look forward to watching their next generation step forward as they continue their work as the hands and feet of Jesus, here on earth.

The Catholic Community Foundation has a variety of volunteer opportunities with flexible schedules. If you would like to learn more, please contact us at events@ccfesd.org or 605-988-3769.

LEAVING A LEGACY OF LOVE AND FAITH FOR CATHOLIC EDUCATION

A donor advised endowment allows you to choose which causes you want to support. Projects, programs, national or local issues for which you have a passion, can be the focus of your planned giving. Donors support the evangelization efforts of local Catholic radio, upgrades or refurbishments of pianos and organs, new church roofs and maybe even renaming a school.

Long time supporters of church projects over the years, Dick and Darlene Muth, Holy Spirit Parish of Mitchell, directed their endowment distribution funds

in 2022 to rename the former John Paul II School to reflect modern-day saints 2014 canonization. The St. John Paul II school in Mitchell celebrated its new name with a community event to honor the late pontiff and Saint. Additionally, their fund covered the expense of a two-day all-school staff retreat at the Broom Tree Retreat and Conference Center in Irene, as well as the community celebration.

“My favorite project was assisting the school with its renaming process,” Darlene said. “And my next favorite was helping the staff develop and strengthen their relationship with Christ to enhance their efforts at the school.”

According to Nicole Fuhrer, the gift planning officer of the CCFESD office in Mitchell,

changing a school name is more difficult than it sounds and not an inexpensive task. Signage, stationary, logos, and even uniforms all are redesigned. Fuhrer states the Muth family have been avid supporters of the St. JP II School in Mitchell since its groundbreaking in 2001, so this project was close to their hearts. Fuhrer assists the Muth family with their “family” donor advised endowment, a type of endowment where the entire family participates each year.

“The school gave me a list of projects they needed help with and the Muth family met to decide which projects they wanted to support this year and what allocation level of funding to spend on each project,” Fuhrer said.

“We have a family meeting, and we try to sit around and discuss what we want to support,” Darlene said. “Our kids are very much into donating too, but getting everybody involved and doing it as a family brings you together.”

“My favorite part is figuring out how to spend the money every year,” Dick said. “When Darlene and I aren’t here any longer, the experience of doing it will hopefully carry on.”

Would you like to build a legacy of giving with your family? Contact the CCFESD office in your area to discuss a family advised endowment to instill the love of giving that continues for generations.
